

## String Instrument Courses

### Types of Instruments

1. Lead Guitar Course
2. Acoustic Guitar & Chords Course
3. Strum & Sing
4. Ukulele

### Lead Guitar Course

Join our Lead Guitar course, designed mainly for adults and youths. Master basic guitar techniques from industry professionals with live performance experiences!

The instructors will guide you through a boisterous musical journey with our vast rock and fusion style music repertoire, even if you are a beginner with no prior background in music. You are encouraged to join our advanced classes if you know a chord or two.

Learn together in small groups or join an individual class for a more flexible pace of learning.

### Course Content

- Proper techniques in electric guitar playing
- Basic music rudiments and musical terms
- Pentatonic scales and modes for solo playing
- Reading of music notation and guitar tablature
- Exposure to various rhythm comping styles and riffs
- Wide repertoire of Rock and Fusion styles using backup tracks
- Learning of powered chords, barre chords, and other extended, altered chords

### Acoustic Guitar & Chords Course

Do you aspire to have the ability to play the tunes you love by ear on the guitar? If yes, join our acoustic guitar course, designed for adults and youths. Master basic guitar techniques through the syllabus with our professional instructors!

## Course Content

- Proper techniques in acoustic guitar playing
- Basic music rudiments and musical terms
- Ability to read musical notes and guitar tablature
- Comprehensive study in the use of fingerpicking styles
- Extensive chord knowledge and chord progressions
- Wide repertoire of Pop, Pop Rock, and other contemporary music

## Strum & Sing!

Unleash the complete acoustic and vocal performer in you with our coveted Strum & Sing course! Our TMA instructors will guide you in understanding the importance of singing in harmony, coordination, and vocal blending techniques.

Learn to perfect your amplifier and maximise mixer settings to maintain optimal guitar tones (for the best stage monitor and front-of-house sound). Focus on the analysis of singing and guitar-playing nuances of specific artists. Learn how to build your gig repertoire. And interact professionally with the audience with humour and dialogue.

The course is suitable for all ages, from 6 to 60 years old.

## Course Content

- Strumming & Vocal methods
- Strumming & Hand Positions
- Music Genre Exploration
- Gain Live Gig Experience
- Music Theory & Notation

## Ukulele

Our introductory ukulele course is created for all new starters with zero background. In addition, our ukulele classes can be catered for individual one-to-one learning or group classes of 3.

The course is suitable for ages five and above to 60 years old. Learning never stops! Ukulele is one of the most accessible instruments to pick up!

## Course Content

- Learn how to play any song
- Master confident performing skills
- Realise how the ukulele's anatomy affects your playing
- Harness music theory to play creatively and expressively

- Understand different chord types to shape your musical style
